20th December 2018

Dear Parents,

What a lovely final week of term! Over the last couple of weeks we've had plenty of Christmas fun. It all concluded at school this week with a few more activities which many of the children were involved with:

The choir sang for the residents of Oxenford House on Tuesday. I know their beautiful voices were very much appreciated by their audiences. Thank you to Mrs Broadhurst for rehearsing with the children every week and all the effort she has put in to arranging the various outings for our lovely choir.

It was lovely to see so many parents and family at the Reception and Key Stage 1 production of 'Lights, Camel, Action; a Strictly Nativity' this week. I'm sure you'll agree that the children performed brilliantly and the whole atmosphere got us all feeling even more Christmassy! Thank you to all our Reception and Key Stage 1 staff for their work on this.

All the children I've spoken with said that they really enjoyed their cinema afternoon, with drinks and popcorn courtesy of the PTA. The PTA have been wonderful as ever this year, organising some really fun events for the school and raising lots of much needed funds along the way. A couple of these things we've really benefitted from this year have included the school minibus and new interactive touch screens. Thank you to them for all their hard work and support.

Christmas dinner was enjoyed by everyone too. Nicola and her cooks, Debbie and Amy created an amazing feast of turkey and all the trimmings for us.

And term has now been wrapped up for us with our final end of year Christmas service at St Michael's today.

I'm sure you appreciate how hard our staff work all year round, but especially at this time of year, making the end of term and Christmas time so special for our children. Thank you to all of them.

And thank you too, for your continued support this term. All the staff at school wish you a very Merry Christmas and a Happy New Year and we look forward to see you all again on Monday 7th January.

Yours sincerely,

Ed Read
