News from Cumnor School

Spring Term Number 5 *8th February 2019*

Very well done to all our Acorn Class children – they led the first class assembly of the year today and were absolutely marvellous. They kept us all enthralled with their wonderful story telling. It was lovely to see their confidence and enthusiasm. Year 2's turn next week!

Slipper Day
The School Council held their 'Wear your slippers to school' day today. There was a lovely array of slippers on show. We raised just over £150 which will be split between the British Heart Foundation and the school Council's outside water fountain project.

Year 2 visit to Winchester Science Museum
Our Year 2 children had a great day out at the Winchester Science Museum this week – it is a lovely hands on interactive museum. A highlight was the planetarium shown. Well done Year 2 – great enthusiasm and behaviour too.

Your PTA News
Tonight's the night! Our Quiz Night is happening this evening in the school hall. **Doors will open at 7pm** for a 7:30pm start. If you haven't already signed up - don't panic! Just come along tonight and join in! Enjoy a drink or two from the fab Quiz Bar and some yummy light snacks. It's just £6 per person and everyone is welcome! Adults only please. There'll be a variety of rounds with questions to suit everyone. A wonderful way to have some fun and help raise money for the school at the same time. See you tonight!

We are a nut free school
Just a quick reminder that with the growing number of children with allergies to nuts, we are a nut free school. Please can you remember to avoid putting nuts in lunch boxes and birthday treats? (This includes products that have nuts in their ingredients such as peanut butter.) Thank you.

Cumnor Preschool Cake Sale
The Preschool will be holding their cake sale next Friday after school at the end of the school drive.

What's my child been doing this week?

Reception	Learning about Chinese New Year, practising doubling quantities of objects and performing in our class assembly.
Year 1	Using the suffixes -er and –est in the story of The Hare and the Tortoise, doubling and halving to 20 and finding out which continent dinosaur fossils came from.
Year 2	Using coins, writing using adjectives and travelling over, under and through apparatus in P.E.
Year 3	Studying equivalent fractions, creating e-safety presentations on Google Slides and learning to spell homophones.
Year 4	Converting fractions into decimals, finding out about Stonehenge and learning about pilgrimages.
Year 5	Problem solving with all operations, fractions, decimals and percentages. Using collage to create Greek landscapes and temples and editing our Greek myths.
Year 6	Converting units of measure, using a range of fronted adverbials to build cohesion in narrative and using hieroglyphics to create art work.
