

Cumnor Primary School

Extra-Curricular Clubs Spring Term 2020

We are committed to providing as wide a range of after school clubs for your children as possible. We are very grateful to all the staff and friends of school who have agreed to hold after school clubs and hope that the range available will provide something of interest.

After school clubs are run by either members of our staff or outside companies. Those run by outside companies do charge for their services and we pass this directly on to you. Clubs run by staff and friends of the school are currently free, but we ask you to treat these clubs very much as you would if you were paying for them; attending every week unless there is a good reason not to, letting the member of staff know if you cannot attend for some reason, collecting your children promptly at the end of the club etc. We will give you as much notice as possible of any cancellations.

All clubs will start week commencing 13th January and will then run every week finishing in the week commencing 23rd March 2020. With the exception of Hand Bells Club which will start on the 20th January and Kitchen Garden Club which will start on 24th February.

If your child would like to attend any of the clubs on offer, please return your request form by the end of term at the latest. To help speed things up too, you will be notified by email, only if your child is NOT allocated a place in their chosen club, at the start of next term.

If a club is over-subscribed, we will endeavour to ensure a fair distribution of places are given to all children. If not enough children sign up to a club, the club will be cancelled.

Yours sincerely,

Ed Read
Headteacher
