Summer Term Number 6 ***28th May 2021***

Dear Parents,

Sponsored Walk
The children all seemed to have a fabulous time on our sponsored walk this week. Some found it more of a challenge than others, but whether they only just made it round or were ready to do it all again, we are very proud of them and delighted that everyone joined in. I think it was really good for everyone on a well-being front too – a chance to relax a little, with everyone, children and staff, enjoying each other's company for the day too.

Thank you for all your support. Please can you collect any sponsor money pledged over half term and either send it in as cash, or donate it through the PTAs Just Giving Page.

The order forms for the photos taken by Colourbox Photography have now been sent home. Please return your orders online via the link provided on the form.

Picnic lunches
With the weather set to improve and our chef back, we will be offering the children a packed lunch option to enjoy outside, as well as the cooked meal option, after half term. The packed lunch will include a ham, cheese or tuna roll, a biscuit / cookie, some fruit and a selection of vegetable snacks. For Reception and Key Stage 1 children this option will be free (through Universal Infant Free School Meals) and for Key Stage 2, it's the same price as a cooked meal. Your children can simply order which meal they would like at registration in the morning.

Covid testing over half term
And what seems to now be the normal end of term reminder: if you find that you or your child has a positive Covid result over the next 5 days or so, please contact the school office: office.3223@cumnor.oxon.sch.uk as we still need to alert affected class bubbles regarding any required self-isolation.
