Summer Term Number 10 ***2nd July 2021***

Dear Parents,

Year 6 Residential

Our Year 6 children had a wonderful time on their mini-residential visit to Hill End this week. They had a day of bush craft and den building with time playing in the woods, sailing on Farmoor Reservoir and even managed to watch a bit of the football! They didn't sleep mind you, but that's part of the fun of it I guess! Well done to all of them for being so positive, having a go at everything and behaving so well. Thank you to Miss Jones and the Year 6 team for organising.

It's a busy Friday – Today the Year 5 children are out for a day in Bristol, Year 1 are at Hill End and our Year 6 children are in the middle of their enterprise project – full reports from all of them next week!

Sports Day

I hope your children had a fabulous time at our Sports Day on Thursday – it was just like the usual day but without the audience. They cheered each other on with classes socially distanced outside and even had the traditional ice lolly at the end of the day! All seemed to have a great time. Photos will be uploaded onto the website as soon as we can. Thank you to Miss Pearson for organising the day.
