Topic	Children can:	Possible Teaching Activities (see also - knowledge map and planning)	Annual Pupil offer
<b>Technology</b>  	<ul style="list-style-type: none"> <li>operate simple equipment, e.g. turn on CD player and use remote control.</li> <li>show an interest in technological toys with knobs or pulleys, or real objects such as cameras or mobile phones.</li> <li>show skill in making toys work by pressing parts or lifting flaps to achieve effects such as sound, movements or new images.</li> <li>know that information can be retrieved from computers</li> <li>use ICT hardware to interact with age-appropriate computer software.</li> </ul>	class research during question time on the teacher's computer.  play games that have technology built in  use the ipads to take photos  Use interactive whiteboard  use apps on ipads or chromebooks (Phonics island, hairy letters, maths age 4-6, forest phonics, emotions)  practice number and letter formation on ipads	E-safety awareness day

By the ended of the Early Years Foundation Stage:

Technology;

- recognise that a range of technology is used in places such as homes and schools
- They select and use technology for particular purposes
