*Spring Term Number 10*

*18<sup>th</sup> March 2022*

Dear Parents,

It has been lovely to enjoy a little more sunshine this week! Both Acorn and Willow classes have enjoyed a village walk exploring our local area. Acorn class took their teddy bears and learned about looking after each other outdoors while Willow class went to try and learn more about the geography around our school!

## **Year 6 Residential**

The year 6 team have had a fantastic time in Wales, taking part in canoeing, high ropes, climbing as well as developing their teamwork skills on site and of course, keeping their bedrooms tidy - perhaps the biggest challenge they faced this week! They have had mixed weather but this hasn't stopped them making the most of every moment and we are very proud of them and their excellent behaviours and positive attitudes this week. Thank you to the teaching staff who have spent the week there looking after them so well.

## **Attendance**

As the weather gets better and the storms disappear, we hope that the winter bugs will also disappear and leave us all healthy and able to attend school every day in the coming months. Good attendance at school is very important.

## **Vacancy: The School Lunch Company - Catering Assistant at Cumnor School**

£9.50, 22.5 hours, term time Monday to Friday only

The School Lunch Company is a well-established, family run business. We provide meals to a select group of schools across Oxfordshire, with expansion into Gloucestershire, West Berkshire and Buckinghamshire. We pride ourselves on our customised and personal service to each school and believe every child is entitled to healthy, nutritious, freshly cooked, delicious food.

An exciting vacancy has arisen for a Catering Assistant at Cumnor Primary School working as part of a small team to cook and serve the best school food around.

We offer weekday, term time only hours, a supportive management team and all the training you need. Our ideal candidate will have at least some catering experience in a catering environment but most important is a friendly attitude, basic knowledge of food hygiene and ability to organise your time.

### PTA Committee News

The big Spring Hunt begins on Monday! PTA volunteers will be selling Spring Hunt maps on the school drive before and after school, for £2 per map. Maps are also available from the Cumnor Post Office. Seek and find all of the wonderful window displays around the village, check-off your maps, then come and join us at school on Saturday March 26th from 2 - 4pm, to claim your prize. There will be refreshments and fun activities available for all, rain or shine. Plus, all completed maps returned that afternoon will be entered to win a great grand prize! Any funds raised go straight to the school and we are thankful for your support. We really hope your family will join us to celebrate the start of Spring!
