

# News from Cumnor School

## *Summer Term Number 1*

*29<sup>th</sup> April 2022*

Dear Parents,

I do hope you had a good Easter break.

We have started the term with our first sharing assemblies for over two years. It was fabulous to see both the Year 2 and the Year 5 classes sharing their work with the school and their families in assembly today.

### **Class newsletters**

You should have received your class newsletters and topic overviews this week, these are also available on the website on the class pages.

### **Scopay payments**

We have been made aware of an issue with Scopay payments this week. If you have recently logged on to Scopay to make a payment, please can you check whether this has gone through. The system seems to be working better now so should work if you try again. Please contact the school office with any queries.

### **Compost appeal**

Year 1 are hoping to grow lots of flowers and vegetables as part of their learning in school but we are very short of compost! If anyone is able to donate a bag of compost/soil we would be very grateful. Please leave by the Y1 garden/willow dome.

## Student Teacher in Year 5

We have been pleased to welcome Miss Evian Albert to school this week. Miss Albert is currently in the final year of training to become a teacher and will be working alongside the Year 5 class for the next 7 weeks.

Enjoy the long weekend,  
Yours sincerely,

Ed Read
