News from Cumnor School

Summer Term Number 8 ***24th June 2022***

Dear Parents,

Year 2 Afternoon Tea Party
Our Year 2 children, and hopefully their familes too, had a wonderful afternoon yesterday creating and hosting their own afternoon tea party. Even the weather played along to make it a marvelous occasion!

Year 3 visit to Coleshill
Our Year 3 children enjoyed a day out on Monday with a trip to the Coleshill estate. With lots of walking, exploring and conservation work, all had a fabulous day.

Ukrainian Support
Thank you for your generous support of our Ukrainian families. They have all settled in well and have made lots of friends over the last week or so. Thank you for your offers of bikes and uniforms – they now have almost everything they need to make their schooling as straightforward as possible. If anyone has a plain coloured t-shirt they can donate for sports day that would be greatly appreciated. The following are needed: green t-shirt age 5/6; green t-shirt age 7/8; red t-shirt age 13. Please contact the school office if you think you may be able to help.

Parent Questionnaire from Governors
Thank you to those of you who have filled in the parent questionnaires so far. So that we can have a full picture of parental views, we would like to see at least 75% of responses, so if you could find the time to respond, we would be very grateful.

As Governors of Cumnor CE Primary School, we are always keen to hear the views of parents in order to inform future planning. Governors have organised a parent survey for several years and have found it an effective way to obtain a snapshot of views. Of course, any survey is only effective if it is filled in by a wide sample of respondents and we very much hope that you will help us by taking a few minutes to fill in this year's survey, which can be completed on online.

- For children in **Acorn (Reception) Class**: click here to access the Acorn Class survey.
- For children in **all other year groups**, please click here to access the main school survey.

Please complete one survey for each child at school. Your answers will be anonymous and all data confidential.

We will summarise the responses and share our findings with you. Governors will discuss the survey outcomes at their meetings and look for ways of addressing any suggestions wherever possible. We are all very committed to working with you to continue to improve our school. We would appreciate it if you could complete the survey by Friday 8th July.
Thank you, in advance, for your support. Voirrey Carr (Chair of Governors)
