News from Cumnor School

Summer Term Number 12 ***20th July 2022***

Dear Parents,

As the heat subsided this morning, we finished off the year with a very entertaining final assembly from our year 6 children. It was lovely to share their memories of Cumnor last week in our church service and we saw the funny side of them this morning. Good luck at your new schools Year Six.

Our final goodbye assemblies this week also saw us saying a farewell to Miss Fitzgerald, Mrs Horner, Mrs Broadhurst, Miss Jones and Mr Cooke. They have all been wonderful assets to our school, working hard, conscientiously and with great drive regardless of what was thrown at them. We will miss their company, the smiles they bring to colleagues and children alike and their teaching expertise. Between them they have been working at Cumnor School for 74 years and will be hard to replace. We wish them all the best for their next adventures and hope they will be able to come back and see us regularly.

I would like to take this opportunity to thank everyone who makes our school such a special place. We still have an enormously dedicated staff including all our teachers, teaching assistants, office staff, lunchtime supervisors, caretaker and cooks, all of whom work so closely together to provide the best possible experiences for our children. I am sure that the new staff joining us in September will be warmly welcomed and will quickly fit in to the special ways in which we work together as a team here. The volunteers at Cumnor also make it the place it is; the PTA have worked really hard this year particularly in trying to re-establish social and fund-raising opportunities for our school, also to the Governors who give their time freely to help drive the school forward.

Thank you too for your support this year as we have been getting back on the road to ‘normal’!

I hope you all have a wonderful and relaxing summer break and I look forward to seeing everyone back at school on Monday 5th September.

Yours sincerely,

Ed Read
